San Bernardino County Auditor-Controller Announces Office Relocation

San Bernardino, CA — San Bernardino County Auditor-Controller/Treasurer/Tax Collector Larry Walker announced that effective December 7, 2015, the Auditor, Controller, and Disbursements Divisions of his department have moved to a new location at 268 West Hospitality Lane, Fourth Floor. The office's main public phone, 909-387-8322, will remain the same.

Mr. Walker stated, "This move underscores our commitment to taxpayers, and is consistent with the County's goals to improve County government operations and operate in a fiscally-responsible and business-like manner." The relocation will improve County government operational efficiencies by co-locating services from multiple locations throughout San Bernardino, and provides improved public access and management oversight for the necessary services provided by the Auditor-Controller/Treasurer/Tax Collector's Office.

This move was the final phase of a three-phase departmental consolidation project. The first phase included the move of the Treasurer and Tax Collector Divisions, the second phase included Central Collections, and the third and final phase included the move of the Auditor, Controller, and Disbursements Divisions.
